## Value Added Services

Verve Value Added Services are designed to enhance the quality of life for Verve residents.

## What are Value Added Services?

Verve is uniquely placed to offer a wide range of services designed to add value to your lifestyle.

Value Added Services can be tailored to suit your needs, and can be provided on a regular basis, as a one-off, or for a specified period of time such as while you are away, or when you might be recovering from an injury or illness.

## Who will provide my Value Add Services?

Verve is sponsored by St Ann's Homes, and therefore its Value Added Services can be provided by experienced and trained St Ann's employees from its adjacent aged care facility. St Ann's is one of Tasmania's leading providers of aged care and its employees are selected through a stringent recruitment process including National Police Checks. St Ann's employees also receive regular relevant training and are well-equipped to provide services to suit your needs.

**To book or request one-off services, please use the touchscreen kiosk located in the Verve reception area.**
